A reliable name for
Groundnut Seeds

PROFILE

Gala Commodities is counted amongst the well known manufacturers & suppliers of Groundnut Kernels & Groundnut Bold(Peanuts). The company has emerged as a reliable name by offering Agro Products that are fresh, high on taste & nutritional value and hygenically processed as per strictest industry standards to offer the best quality. Gala Commodities is a 42 years old that has immense expertise in this domain. The company is currently operated by Mr. Harish J. Gala.

Started in year 1969, by Late Javerchand D. Gala as a broking firm for oil seeds specialised in safflower seeds, groundnut seeds, sunflower seeds, later diversified in trading in the year 1975, in the name of Harish and Bros. The company deals in various types of edible oil and oil seeds, Specialised in Groundnut Oil and Groundnut seeds (HPS), safflower seeds, sunflower seeds etc.

Later in 1994 the company entered in manufacturing in the name of Rohan Oil Industries, which manufactured Groundnut oil and groundnut (HPS).

In the year 2007 the company started an Import-Export venture of various agricultural products.

A quality assurance of 99% on seeds is offered by the company. We make sure that the seeds we offer are of excellent quality and reliability. With respect to the edible and perishable nature of these products we make sure that their purity is never comprised and stored in the best conditions.
